Subject: Important: Download the Crossbar App for the 25-26 Season

Dear Texas Legends Families,

As we prepare for the upcoming 2025–2026 club season, we're excited to introduce the **Crossbar app** as our new hub for team communication and scheduling.

This app will be your **one-stop shop** for:

- Practice and tournament schedules
- Team and club-wide updates
- Direct communication from coaches and the club

Action Required:

Please download the **Crossbar app** on your mobile device and log in using the same account information you used when you registered your athlete.

This will ensure you receive important updates in real-time and have quick access to all team and club information throughout the season.

We're looking forward to another great year with your athletes and families. Thank you for helping us streamline communication and keep everyone connected!
