Dear TLVC Families,

This season, **every athlete must be Scorekeeper-certified**. This ensures we have enough certified athletes and helps players learn more about the game.

### Who Needs Certification

- **11U & 12U:** Athlete must be certified. A parent should attend the session with them. (*Parents: register only your athlete, not yourself.*)
- **13U & Older:** Athlete must be certified. Parents do **not** attend.

### Check Your Athlete's Certification

- If your athlete was certified last season, log in to **SportsEngine** → **Credentials** to check.
- If it expires **August 2025**, they are still valid.
- If it is expired or missing, register for a **new session**.

### Registration Steps

1. **Athlete must register individually.** TLVC cannot register for you.
2. Confirm your athlete's **USAV membership is "Eligible"** (green status). Look for the email titled "*USAV Athlete Membership (Action Required)*."
3. **Use the official SportsEngine registration links for training.**
