Dear Parents,

It's time to register your athlete for the 2025-2026 volleyball season with USA Volleyball (USAV). This membership is **required** for all athletes to participate in practices, tournaments, and trainings.

**Why this is important:**

- Your athlete's USAV membership officially registers her as part of the team.
- Only athletes with a valid membership can attend practices or participate in USAV-sanctioned tournaments and trainings.
- We cannot finalize rosters or secure tournament spots without each athlete's membership.

**Membership Cost: \$55**

We have provided detailed instructions to help you complete the registration process. **Please read and follow them carefully.**

Thank you for completing this important step to ensure your athlete can fully participate in the season!
